of family members you would like to adopt: _____

To adopt a family, I will provide enough food items, basic necessities and gifts for each family member. These are families who fall in the gap and do not qualify for assistance and have a difficulty making ends meet each month, families who have had an unfortunate circumstance happen ie: sudden death in the family, loss their home, lost their job etc. or houseless working families who can't afford the current rental prices. Families are referred to us by trustworthy community partners and agencies island wide. Recipients are sometimes asked to submit supporting documents to confirm their need. Most referrals are families who wouldn't normally ask for help. The purpose of this program is to bless families during the Christmas holiday when children are home for the extended break, to bring joy with presents for each family member and to give them hope.

I, _____ would like to adopt a family and will be able to provide the family with enough food items, basic necessities and gifts for each family member.

Suggested items for a family: canned meats, vegetables, fruits, soups, saimin, noodles, spaghetti sauce, pancake mix, syrup, peanut butter, cereals, bottled water, toilet paper, shampoo, bath soap, toothpaste, toothbrushes, deodorant, paper towels, Kleenex, feminine products, laundry soap, diapers, baby soap, baby wipes. Please NO used clothing, expired non-perishable items or rusted cans. Appropriate toys and clothing/shoes for gifts. *ALL* items must be *NEW* in original packaging.
